

A Simple WFO Training Plan - Example

WFO MFR Winter Season GOES-17 Office Training Plan

- Review these Quick Briefs on the STOR: a, b, c, etc...
 - Also, pull up the associated Quick Guides using the AWIPS Integrated Reference (AIR)
 - (SOO can create a local curriculum – search “satellite quick brief” in CLC)
- Using AWIPS, complete the following Job Aids: a, b, c etc...
 - Utilize the SOO and/or satellite focal point if possible.
- Review the following blog posts: a, b, c, d....
- Watch the following FDTD Recorded Application Webinars: a, b, c...
- Watch the following video presentations from the GOES-16 User Workshop: a, b.
- Provide a GOES-17 “quick case study” to the SOO Science Blog (1-3 pages).

SOOs should tailor a local plan based on their office’s needs and utilizing the STOR.
